### "The Sentry"

*I just returned to base. I've been out a day, a week, or possibly a month, I don't remember. I am dead tired. I've been asked to stand watch over those who didn't make it back alive or are missing. They are my comrades. I didn't know them, but they need me. I'll take the watch; I am "The Sentry."*

Statue created by Stephen Le Blanc

### How The Sentry was created:

The statue was commissioned by American Legion Post 2001, Evergreen, Colorado and the Evergreen Rotary Club.

It was financed by the Evergreen Rotary Club with support from Conifer Rotary, Mountain Foothills Rotary, Peak to Peak Rotary, Clear Creek 2000 Rotary, Rotary District 5450 and many individual contributors
